

Dear Parents/ Guardians/Teachers,

Greetings of peace and good wishes!

I would like to thank all of you for your whole hearted support to our online classes and teaching material made available to all the students from class L.K.G. to 12th through whatsapp groups and various other means during this lockdown. As we face this pandemic, let us hope and pray that God will intervene in our lives at this critical juncture of human history and help us cope with this situation. Our teachers have worked consistently and provided study material keeping the students engaged meaningfully in academic and co-curricular activities. A note of thanks to the parents for their support provided to their children and the teachers at this difficult time. We are grateful to you

Summer Holidays and Reopening of the School-

Nothing is certain at this juncture. We will wait for government notification regarding reopening of the school. Accordingly the school management will issue further instructions. In the meantime though the online classes have been discontinued from 18th May due to summer vacations, it is desired that students spend some time in regular studies completing the pending work/projects/holiday home work given by the respective teachers and other related creative work. I would encourage every child to develop healthy reading habit in order to be relevant to our time and to be knowledgeable. As mentioned earlier, nothing is certain at this juncture however all the students should mentally be prepared to resume regular school life from Wednesday, July 1st 2020. We will wait for the official notification from the government in this regard.

Class XI online Classes-

Since class 11th did not have online classes their online classes will begin from 1st of June onwards, till the school reopens. It is mandatory for all the students to attend online classes. Attendance will be taken and it will be counted for 75% of the attendance required by the CBSE board. In case the school does not reopen in July, the second round of online classes will resume from Wednesday, July 1st, 2020 till the school reopens as before with regular time schedule. When the school reopens your written assignments need to be submitted to your respective teachers for assessment. All the students are requested to complete their written work and project work.

Periodic Test-I (P.T-I)

In case regular classes resume from 1st July 2020 P.T-I will be conducted for all classes tentatively from July 18, 2020. Otherwise online assessment will be conducted. The details of the online assessment will be shared with you well in advance.

Office Timing during Summer Vacation-

The school office will remain open from 18th May on all working days from 7:30 a.m. to 12:30p.m. In case you visit the school campus kindly follow the safety norms and the directions given by the administrations. Please be assured that the management is conscious and aware of the difficulties faced by each of you and stand in solidarity with the entire Sophia Family. We are not all in the same boat but we are all in the same storm. Let us support each other to tide over this storm safely. I wish you all good health and happiness. I am confident that together we will come out victorious. Stay home and be safe.

God bless.

Sr. Roseline
Principal
